About our work site

- 4-5 hour round trip from the project area in Castañer to the airport in San Juan
- BDM will provide transportation to and from the project and job sites
- The roads to and around the project site are very winding with sharp turns
- Housing, courtesy of the Castañer Church, will be provided
- Meals during the work week will be provided by BDM
- Tools will be provided
- During the weekend in-between the work weeks, volunteers are free to leave the project site. The town of Castañer is lovely and friendly, so walks around town are encouraged.
